Editorial

Dear Readers,

Swachh Bharat Mission

To accelerate the efforts to achieve universal sanitation coverage and to put focus on sanitation, the Prime Minister of India launched the **Swachh Bharat Mission** on 2nd October, 2014. The Mission Coordinator shall be Secretary, Ministry of Drinking Water and Sanitation (MDWS). The two sub-missions, i.e. Swachh Bharat Mission (Gramin) and Swachh Bharat Mission (Urban), which aims to achieve Swachh Bharat by 2019, as a fitting tribute to the **150th Birth Anniversary of Mahatma Gandhi**.

Individually every one of us is very good, but collectively we tend to blame each other. Therefore, in aggregation, Swachh Bharat might look a gigantic goal. For me to become '**Swachh Citizen**' is simple. Every one of us loves to live in clean & green India. All it requires is every Indian must become Swachh Citizen. Becoming a swachh citizen and being one is entirely our decision and within our command. A practical suggestion to being a swachh citizen:

"Take 40 days challenge consciously avoid littering & religiously follow the Swachhta principles, you will find clean habits repeated for 40 days tend to stay on." Do not litter, carry your own cloth bag for shopping; and say "no" to use and through carry bags. You are sure to become inspiration for many others who watched you transform during your 40 day challenge period. Achieving Swachh Bharat is simple, but not easy. The thinking we need to stop entertaining is : 'everybody else is irresponsible, what can i do alone?'

Each RSETI has to pay its role in Swachh Bharat by creating awareness & motivating prospective trainees about Swachhta. It is suggested that in each & every programme rather each day of the training programme 5-10 minutes are spent on this aspect. The charity begun at home and hence each RSETI has to ensure that swachhta is maintained in the RSETI premises/campus. The best practices of **Sharmdan** can be better utilized for this purpose. It is also suggested that a oath may be administered to the trainees about Swachh Bharat Mission and their contribution towards it.

Success Stories

ICICI RSETI Udaipur, Rajasthan

Shri Suresh Kumar Prajapat, age 24 years was working as helper in a TVS service workshop in his village. He wanted to establish his own workshop but could not do because he was not skilled enough for the task. One day ICICI RSETI Udaipur mobilization team organised EAP in his village. He attended the meeting and got very excited about the two wheeler servicing course. He got himself enrolled for the course and took leave from his workshop. As he was already familiar with bike repairing, he came out as one of the brilliant students & learned the tricks of the trade. After completion of training, he joined TVS workshop again, but with a difference. Now he was not a helper any more, but a trained skilled staff with higher remuneration. He feels lucky and confident in his work. He says "Now I do work for which I only used to imagine and dreamed off".

He expressed great gratitude for the kind of work ICICI RSETI is doing in his village. He also encourages other youth to join RSETI, indeed a perfect brand ambassador for RSETI.
