The Fifteenth Finance Commission (15th FC) has recommended a sum of Rs. 60,750 crore to PRIs for the year 2020-21. All the tiers in the Panchayats will receive the grants. The grant is distributed as basic and tied grants in the ratio of 50:50. The basic grants are untied and can be used by the local bodies for location-specific felt needs, except for salary or other establishment expenditure. The tied grants can be used for the basic services such as supply of drinking water, sanitation, solid and liquid waste management, maintenance of open-defecation free status, rain water harvesting and water recycling.

Therefore, to impart skill and enhance the capabilities of the Elected Representatives of Panchayats on effective utilization of Fifteenth Finance Commission Grant, NIRDPR is organising four day online ToT on effective utilization of 15th Finance Commission Grants. Interested participants can register their names in the link provided in email.
