Greetings from the National Institute of Rural Development and Panchayati Raj.

NIRDPR is an apex organisation under the Ministry of Rural Development, Government of India, engaged in capacity building and training of rural development functionaries, Panchayat leadership, Civil Society Organisations, Hon'ble MLAs/MLCs and other stakeholders across the country for achieving sustainable and equitable rural development. NIRDPR is a six decade premier organisation aiming to improve the quality of life of the marginalised people like SCs/STs/OBCs/PVTGs/Nomadic Tribes/Minorities/women/Senior able citizens and create leadership among the marginalised people for accelerated rural development in the country. NIRDPR endeavours to reach the last person and remote areas of the country through capacity building and policy advocacy.

As you are aware that Global Goals (SDGs) focuses on "Well-Being of All" and aims to achieve a better and sustainable future for all by 2030. Government of India is taking many initiatives to achieve the objective of "Well-Being of All" through a number of Rural Development Schemes. MoRD, MoSJE and MoTA are implementing a number of Rural Development Schemes to improve the quality of life in Rural Areas. Schemes like MGNREGA, PMAY-G, PMGSY, NRLM, DDU-GKY, NSAP and SAGY are transforming Rural India. But, how far these schemes are reaching the right beneficiaries i.e., reaching to the deprived sections like widows, orphans, handicapped, PVTGs, SC/ST people is the main concern.
