

Online Training on Default Management in DDUGKY
(23rd February, 2022)

NATIONAL INSTITUTE OF RURAL DEVELOPMENT AND
PANCHAYATI RAJ
(Ministry of Rural Development, Government of India)
RAJENDRANAGAR, HYDERABAD - 500 030
www.nirdpr.org.in

1. Need for Training Program

DDU-GKY has a strict monitoring mechanism that has a low tolerance to defaults. Therefore, it is critical for the Project Implementing Partners to avoid defaults and if that happens how it needs to be rectified within the stipulated period, following the SOP. Ignorance is not an excuse in this context and therefore the training provides insights into Default Management for the participants.

2. Objective

At the end of the session, participants will be able to

- Understand what is a default
- Identify the occurrence of a default
- Apply default handling procedures
- Understand different types of alerts
- Describe the actions of default
- Be aware of the actions taken by SRLM in handling defaults

3. Content

- Introduction on defaults
- Identification of a default
- Default Handling procedures
- Action of default
- Handling defaults by SRLM

4. Target Group

SRLM/ PIAs PAN India.

5. Training Duration & Mode

3 hours of session that will be conducted online

6. Registration link and joining link have been shared with SRLM/ nominated PIAs.
