

Online Training Program on

NUTRITIONAL GOVERNANCE THROUGH NRLM

(4 -8 Oct. 2021)

BACKGROUND

India's flagship programme is POSHAN Abhiyaan (National Nutrition Mission) which is a multi-ministerial, multi-sectoral and comprehensive approach to reduce malnutrition by ensuring convergence of various nutrition-related schemes. Rural governance plays a vital role in the implementation of the above scheme covering individuals, family, community, village, and district thereby contributing to the holistic development of the nation.

This training programme on Nutritional Governance through NRLM is designed to facilitate rational deliberations about National Nutrition Mission and to enable the rural development officials for upgrading their capacity for the better execution of their functions and solving the rural problems in reality during the implementation of programme at the grassroots. It will add on the knowledge about various components of National Nutrition Mission like convergence with rural development programmes, youth & women empowerment, Gram Panchayat Development Plan etc. Thus this program is expected to build the knowledge, skills and attitude of the participants with innovative approaches for operationalizing good nutritional governance in the rural sector.
