

E-Training Programme

Role of Rural Local Self Governments in Community Based Disaster Management

04-08 OCTOBER 2021

The NIRDPR, Hyderabad is Organizing an e-Training programme during 04-08 October 2021 from 2.30 to 6.00 PM daily in English on “**Role of Rural Local Self Governments in Community Based Disaster Management**” for the officials of Panhayati Raj, Disaster Management, State Rural Livelihood Missions, faculties of SIRDs, SIDM Universities,, elected representatives of PRIs, Master Trainers and functionaries of NGOs associated with community based disaster management . The Training Programme focuses on preparedness, prevention, public health psychosocial care and other aspects in managing disaster situations by the Rural Local Self Governments and other institutions. To compensate the face-to-face contact classes and field visits, a well-structured demonstration through short films, case study discussions and exercises have been planned for the program.
